Ed,

Good to hear from you. I will definately be a reference, heck I will be your poster child, LOL!

Jeff was moved into the RDAP facility last week. He is number 20 on the list so if they don't bring in too many people in the next month he should be in the May class which would bring him home next February!

Thanks again for all of your help,
Kylee

Hi Kylee:

I hope all is well. I wanted to let you know I used you as a reference with a lady whose father really could use our assistance. Her name is Renee and I just gave her your email for a reference. I hope that was OK. Let me know how Jeff is doing? I hope everything is OK? I am excited at the fact that you guys will all be together soon :)

Stay well and God Bless!

God is Good!
